

**Ballad of Lazarus and the Rich Man  
(Parody of "Hello" by Adele)**

Hello. It's me ...  
I am confident that after all the crumbs I let you eat  
You'll come over ... here to me  
To dip your finger in some water, please  
Cuz, this is too much grievin'  
Hello? You can hear me;  
Here in agony I'm screamin'; while you sit there restfully.  
When I was livin'; and free  
I despised your words of warning while the world was at my feet  
Now there's a gulf fixed ... between us  
Of a million miles.  
Hello from the other side  
I heard you plead a thousand times!  
To tell me to be sorry, for every sin I have done  
But then you told me I hated ... every-one  
Hello from Hell's side!  
To all my friends who haven't died  
I tell you I'm sorry, for hard'ning your heart  
But it won't matter, cuz your sin doesn't tear you apart anymore  
Hello? Where are you?  
It's the hypocrite in me, I know, that can't tell God "I'm sorry"  
No hope ... now I know  
All your evil and my good in our lives; forever now inverted  
As you preached it,  
Soon the whole of us have all run out of time  
Hello from the other side  
I heard you plead a thousand times!  
To tell me to be sorry, for every sin I have done  
But then you told me I hated ... every-one  
Hello from Hell's side!  
To all my friends who haven't died  
I tell you I'm sorry, for hard'ning your heart  
But it won't matter, cuz your sin doesn't tear you apart anymore
