

COME TOGETHER

(filthy Jews....)

Here come old Hebrew, he got vile affection
He got false religion, He got bad intention
God say - You get the land, if you obey Me
If you don't a hissing and a reproach you'll be

(filthy Jews . . .)

Hey evil harlot - Why you disobey Him?
Why you kill your Saviour? Why you crucify Him?
He say 'woe unto you, Scribes and Pharisees'
Got to mourn for your sins and get down on your knees
Come together, good figs, and repent

(filthy Jews)

Hey joo joo rebel, he say he own salvation
He unholy roller, He like abomination
A remnant will rest – says Jehovah's decree
Stiff-necked Heebs will go to hell for eternity
Come together, good figs, and repent

(filthy Jews)

Here come your sister – we are searching for you
Come out from amongst them, we are waiting for you--
Good figs will repent – He'll cause you to see
The blood of Christ will cleanse you from your iniquity
Come together, good figs, and repent
