

# Thunder!

(Parody of Imagine Dragon's "Thunder")

'Nother young fool, with a lit fuse  
Broken compass, now he's let loose  
Vanities and ... and bitter things; now  
Guns and blood and madness of mind  
Not a guess, sir! We been hollerin'!  
Read the Book, read the sign  
Have a seat in the front pew, hear the preacher  
God has promised ... to bring the thunder

(thunder, thunder, thunder, thu-thu-thunder, thunder)  
(thunder, thunder, thunder, thu-thu-thunder, thunder)  
Thunder, bring the thunder
