have been rumors and speculation of a homosexual relationship with music artist Drake recently and he has a reported history of drug use beginning at the tender age of 11. It's a fairy tale of pauper to prince! But all that fame and fortune will not get him into Heaven, neither the works of his hands. Whether the speculation is true and the drug use continues to this day makes no matter if the Lord will have mercy on this suffering soul. WBC comes to deliver the only message of hope for The Weeknd and every person who casts a gaze upon our signs. Fear God, keep his commandments is the simple sum of this life.

“Let us hear the conclusion of the whole matter: Fear God, and keep his commandments: for this is the whole duty of man.

For God shall bring every work into judgment, with every secret thing, whether it be good, or whether it be evil.” (Ecclesiastes 12:13-14)

THE LORD IS COMING! REPENT OR PERISH!
