America is filled with Universities that scramble to outdo each other in perversion. God is merciful and long suffering as he has yet given the country space to repent. But, he will not at all acquit the guilty, and the day is coming that God calls the time of the restitution of all things, when the horrible state of the people will be brought into proper order. Meanwhile, as God sends his wrath, upon the children of disobedience, you will not repent. As we

send forth this message, God's wrath abides upon Houston (H. Harvey); Florida (H. Irma); the NE coastal region (H. Jose) and Puerto Rico (H. Maria). It is our happy and sober duty to inform the students at these Universities that notwithstanding what your arrogant, goofy and lying professors, parents and preachers might be "teaching" you; sodomy has been, is now, and always will be an abomination, and those who support it, enable it or even put up with it will be condemned to eternal hell-fire by God Almighty. That includes the latest fag craze called "Transgender" blah, blah. Tranny = another sub-set of fags. Bible references in support of such propositions have been painstakingly set forth by this church in considerable detail and may be found at www.godhatesfags.com for those who have even a smidgen of sincere interest. All your pitiful student groups, are nothing more than groups of reprobates and rebels, kicking God in the shins. Listen to this silliness: "We strive to make campus a supportive and affirming place for all intersections of identities, and provide specific resources for those individuals along the sexuality and gender spectrums." Blah, blah, BARF! This is the folly you produce when you abandon all moral and Biblical standards?

"Even from the days of your fathers ye are gone away from mine ordinances, and have not kept them. Return unto me, and I will return unto you, saith the LORD of hosts. But ye said, Wherein shall we return?" (Malachi 3:7)

REPENT OR PERISH WITH THE REST OF DOOMED USA!
