The schools of America are entrusted to teach her children the basics of math, reading, writing, science, and other secular topics; they are entrusted to maintain discipline, and decorum. In these secular matters, the schools of America are failing miserably! America spends more money on education than any other nation in the world, and yet, on the whole, her children are unable to compete with their global peers. By raising successively declining generations of lazy, proud, uneducated, self-centered, entitled children, the parents and schools of America are robbing them of their heritage – the jobs that they should be doing are being farmed out to other nations; the wealth of this nation is being feverishly thrown away. Setting aside secular matters, it is the grave duty of every parent, and every educator to teach the truth about God:

“Train up a child in the way he should go: and when he is old, he will not depart from it.”
(Proverbs 22:6)

Beginning with these words from Solomon, the wisest man to ever walk the earth:

“Let us hear the conclusion of the whole matter: Fear God, and keep his commandments: for this is the whole duty of man.” (Ecclesiastes 12:13)

The parents and teachers of this generation REFUSE to teach their children to fear and obey God; they refuse to acknowledge God as their creator, and sovereign King. Instead, they encourage their children to every vile form of proud sin (fornication, adultery, idolatry, sodomy, gender confusion, etc); they teach their children to invent their own path – their own standard – as if THEY are god. There can only be one outcome of such folly: death and hell! This is a generation that is cursed of God!

“There is a way that seemeth right unto a man, but the end thereof are the ways of death.”
(Proverbs 16:25)

Lord willing, WBC will bring a faithful message of hope and life to the children of Pennsylvania: You are alive on this day – **REPENT AND FOLLOW AFTER CHRIST!**
