## **LORD WILLING, WBC WILL PREACH CHRIST @ THE NASCAR CUP SERIES HOLLYWOOD CASINO 400 RACE (KANSAS SPEEDWAY KANSAS CITY, KS) – SUNDAY, OCTOBER 22<sup>ND</sup> FROM 9:00 – 10:00 AM**

This weekend, throngs of people from all over the Midwest will make the trip to and from Kansas City for Sunday's NASCAR event - spending lots of time, money and energy planning and executing their 'pilgrimages'. Tens of thousands will attend the event, many will compete in and work at the event, hundreds of media will cover it, and millions will watch via media – all craning their necks to get a glimpse of...lots of cars making left turns at high rates of

speed. Pause for a sober question: has anyone involved in this event – either professionally or for personal interest, EVER spent as much time, money or energy studying the word of God in earnest? In striving against sin in shuddering, thankful obedience to the Creator of all things seen and unseen? Does anyone involved have the same sense of anticipation and watchfulness concerning the hastening return of the Lord Jesus Christ in glory and preparing themselves and their families for that awesome return? This Sunday's event at Kansas Motor Speedway is nothing more than a ritual of rank, sinful idolatry, in callous defiance and rejection of the very God that many of these 'red-staters' claim to believe in: *This people honoureth me with their lips, but their heart is far from me. Mk. 7:6* The flag will no doubt be front and center, and a vague, mindless patriotic sense will swell in many a bosom. More reverence (although in pretence and vanity) will be given for that filthy piece of silk that represents a nation awash in sin at EVERY level than has ever been given to the God who made all of us. Every detail of the rules of the race will be analysed and understood in great detail - and ENFORCED - while the word of God lay neglected, misunderstood, and rejected in the hearts of the same men. Skill and determination during the race will be applauded heartily – while the infinite skill, wisdom and determinate counsel of God will rarely, if ever, even flutter across the mindscape of anyone involved in the whole sordid affair. Gambling, drinking to excess, adultery, fornication and idolatry have become 'wholesome Americana'. The silliness and vanity is breathtaking. And the great majority of people in the stands and watching at home will claim to be 'God-fearing Christians'. Ugh! You are vain! Haughty! Proud! Self-willed! Put away your sin! Turn your RVs around and go home, turn off the t.v.'s, leave 'wives' and 'husbands' that you have divorced the spouse of your youth to be with, gather your families together, and earnestly study the Word of God. *Fear God and keep his commandments, for this is the whole duty of man. Ec. 12:13*
