WESTBORO BAPTIST CHURCH TO PICKET WEST POINT HIGH SCHOOL (2700 MATTAPONI AVE, WEST POINT, VA) MONDAY, MARCH 11TH, FROM 7:10 – 7:40 AM

WBC PARODY: <http://bit.ly/XorYChromosome>

West Point High School, a typical U.S. nondescript public high school, recently made national headlines after the unceremonious firing of their French teacher Peter Vlaming. His crime? Keeping his French class focused on learning French, and not allowing the transgender sin that a student is involved in to usurp the dialogue. Vlaming thought he could placate the sodomite mafia by using the child's 'new name', and avoid pronouns altogether, so there was no offence to anyone in any way shape or form. **WRONG!** Romans 1 tells us they are implacable. The teacher was hauled before the school board, who unanimously voted to fire Vlaming. What madness, what sheer lunacy is this?

Interviewing the teacher in question, Tucker Carlson observed that it's "almost impossible to get a teacher fired for incompetence." No kidding! "But it turns out it's very easy to get one fired for thought crimes... I've never seen anything like this." Carlson himself is an Episcopal pervert. <http://bit.ly/TuckerVAFiredTeacher>

Westboro Baptist Church continues to preach across the nation, including at many high schools, with a Bible message. We tell you plainly to cease from withholding correction from your foolish youth. Teach them that God is to be feared and obeyed, that Jesus is the only way and hope of life, and give them regular warnings about the consequences of sin. America is surely doomed!
