Open Letter to President Obama

Dear Sir:

It is our considered opinion that you are a dangerous man, an ignorant man, and a foolish man. You say you will use the Bully Pulpit and the full weight of the Presidency to promote sodomy and infanticide – two things that God hates. Then you say God has no right to hate. Whereas the Almighty differs from you; to wit: “As it is written, Jacob have I loved, but Esau have I hated.” Rom. 9:13. Does God love or hate the people in Hell? Do you know more than the Puritans? who left us a vast body of extant literature on the hatred of God. Can it be that you have never read “Sinners In the Hands of An Angry God,” by Jonathan Edwards?

You said you would kill your own grandchild if one of your daughters turned up pregnant. Yet, you told attendees at a recent prayer breakfast that, “There is no God who condones taking the life of an innocent human being. This much we know.” Your exact words about killing your grandchild are these: “We’ve got two daughters 9 years old and 6 years old. I’m going to teach them first of all about values and morals, but if they make a mistake, I don’t want them punished with a baby.”

Alexander LaBrecque has tracked your revelatory utterances, and has put them in a lengthy, well-written monograph, entitled, “Obama’s Religious Ruse.” It is replete with many, many footnotes, supporting the author’s central theme; to wit: “The issue is not Obama’s church attendance, but his pattern of deceit.” We believe Mr. LaBrecque is right. We have most if not all the books written by you, and about you. The word, “deceit,” fits you. Insincerity with God will take you to Hell.

Your pitiful attempt to make silk purses of your sows’ ear parents is embarrassing. As is your pitiful effort to distance yourself from the Muslims. You simply need to repent of your monstrous sins. It is too late for your parents to repent of theirs. They are in Hell. You seem proud of your sins – filling two books in your recitation of them. Tell the truth, Mr. President. You are a Muslim. Your mother was a promiscuous white female tramp, and your father was a run-of-the-mill, black, deadbeat dad who abandoned you and your mother and fled to more fertile breeding grounds in Africa.

The way you treated your wife leads us to believe that you, too, like father like son, have the morals of an alley cat. “Except ye repent, ye shall all likewise perish.” Lk. 13:3.

Sincerely,
