NEWS RELEASE

Westboro Baptist Church has been banned from preaching in the United Kingdom.

Yes. A huge front-page story this date in The Sun newspaper carried the news. Calling us “extremist Christian leaders,” The Sun says we “were banned tonight from entering Britain by Home Secretary Jacqui Smith.” We had planned a street-preaching event outside a college production of *The Laramie Project*, Queen Mary’s College, Basingstoke.

Students deserve to know that *The Laramie Project* is a hoax, and has been exposed as based on a lie in that it claims Matt Shepard was killed because he was a fag. The Lead Investigator, Ben Fritzen, Laramie Police Detective, says he was killed in a quarrel over drugs and money. See, ABC’s 20/20, aired Nov. 26, 2004.
