

Bohemian Tragedy (Parody of Queen's "Bohemian Rhapsody")

This is your new life
This is not fantasy
Eternal fire
No escape from reality

Lift up your eyes
And look up on high to see
You're just a whore, boy,
You get no sympathy

Because you heard the truth,
Heard us say,
Every word,
Every day.

Now you live in torments,
Really should have listened to me.
To me.

Rebel, you hated man.
Spread your lies on every day.
Said "it's ok to be gay."

Rebel, life on earth is done,
And you have gone and sinned it all away.

Rebel, ooooh.
Now in agony you cry.
Your sentence is the same again tomorrow,
On and on,
On and on,
Filthy garments lie in tatters.

Too late.
Your time has come.
Hurt His people all your days;
Proudly gave yourself the praise.

Goodbye, adversary,
It's time to go.
Gotta go before your God and face the truth.

Rebel, ooooh,
You will never die.
It's better if you'd never been born at all.

I hear the final seven trumpets of the Lord
Jesus Christ
Jesus Christ
He is coming in fury

Thunderings and lightning
All the wicked, frightened, flee

Alleluia (alleluia)
Alleluia (alleluia)
Alleluia wrath and woe
Magnifico

God never knew you,
He says "Depart from me."
He's always hated all workers of iniquity.
Your filthy life was a monstrosity.

Gnashing teeth,
Curses flow,
You can never go.

It's finished.
No! He will not let you go.
"Let me go!"
It's finished.
He will not let you go.
"Let me go!"
It's finished.
He will not let you go.
"Let me go!"
Will not let you go.
("Let me go!"
Will not let you go.)
Never, never, never let you go.
No, no, no, no, no, no, no.

From outer darkness,
Outer darkness,
God will never let you go.
Beelzebub is the devil that you'll see for all eternity.

So you thought you could mock Him and spit in His eye.
So you thought you would slaughter His sheep and get by.

Fag marriage,
God will not have fag marriage.

Now you will be cast,
Now you will be cast out of here

Really should have listened
Any fool can see
Really should have listened
Really should have listened
To me

Now you live in torments.
