

Get Back Sammy (Parody of The Beatles' "Get Back")

Sammy was a man who thought he
was a woman
Thought God would give him a pass
From the football field in dark
depraved Missouri
Sammy made a big fag splash
Get back, get back
In the closet you belong
Get back, get back
In the closet you belong
Get back Sammy
No hope.
Get back, get back
In the closet you belong
Get back, get back
In the closet you belong
Get back Sam!
Everybody treated Sammy like a
woman
But he was a rebel man
All the folks around him, clapped at
his perversion
Gave his sin a helping hand
Get back, get back
In the closet you belong
Get back, get back
In the closet you belong
Get back Sammy!
No hope.
Get back, get back
In the closet you belong
Get back, way back
In the closet you belong
Wooooooo!!!!
Spoken:
Get back Sammy!
Your conscience is calling you
No high heal shoes; no low neck
sweater
Think about your soul, Sammy
Sung:
Get back, get back
In the closet you belong
