

“You Have HATED Ordinary Love”
(Parody of “Ordinary Love” by U2)

The sea waters soon will be no more
No sunlight on your skin
The truth of God that’s been lost before
The new earth will find again
You won’t fight God anymore; it’s sin you’re
fighting for
The sea throws up her corpses in time,
While you cry to stones

You can’t fall any further, cuz
You have HATED ordinary love
Your sin cannot reach any higher
Fags can’t claim to FEEL ordinary love

(Musical interlude)

When Christ comes TEARING through the sky
THEN the whole world sees
Flames of fire making up his eyes
You’ll obey His decrees
Your sin has made us grieve
Did you think God would accept fag marriage?
For years we have believed that the world
would be destroyed this way

‘Cause
You can’t fall any further, cuz
You have HATED ordinary love
Your sin cannot reach any higher
Fags can’t claim to FEEL ordinary love
(Musical interlude)
Fags COULD NOT CARE LESS -- FOR
ordinary loove!

(Musical interlude)

You can’t fall any further, cuz
You have HATED ordinary love
Your sin cannot reach any higher
Fags have DESPISED ordinary love
You can’t fall any further, cuz
You have HATED ordinary love
Your sin can't reach any higher
Fags can’t claim to FEEL ordinary love
