

Happy
(Parody of "Happy" by Pharrell Williams)

You think we're crazy cuz of what we say
We say you'll go to hell if you are gay
We say the words that our Saviour spake
Repent or perish while you have the space

[Chorus:]

Because we're happy
Grab a sign if you feel the Lord's given you a heart as Ruth
Because we're happy
Grab a sign if you feel that the word of God is the truth
Because we're happy
Grab a sign if you know that right and wrong is not up to you
Because we're happy
Grab a sign if you know that only one happiness is true

[Verse 2:]

Here come false preachers talking this and that, yeah,
We give you Bible words, we won't hold it back, yeah,
We're compelled to warn you we're just being kind, yeah,
Turn or burn, eternity's a long, long time

[Chorus:]

Because we're happy
Grab a sign if you feel the Lord's given you a heart as Ruth
Because we're happy
Grab a sign if you feel that the word of God is the truth
Because we're happy
Grab a sign if you know that right and wrong is not up to you
Because we're happy
Grab a sign if you know that only one happiness is true

[Bridge:]

(Happy)

Bring you down
The Lord will
Bring you down
To the pits of hell
Bring you down
The Lord will
Bring you down
unless you repent
Bring you down
the Lord will
Bring you down
to the fiery lake
Bring you down
The Avenger will
Bring you down

He said

[Chorus x2]

Because we're happy
Grab a sign if you feel the Lord's given you a heart as Ruth
Because we're happy
Grab a sign if you feel that the word of God is the truth
Because we're happy
Grab a sign if you know that right and wrong is not up to you
Because we're happy
Grab a sign if you know that only one happiness is true

Because we're happy
Grab a sign if you feel the Lord's given you a heart as Ruth
Because we're happy
Grab a sign if you feel that the word of God is the truth
Because we're happy
Grab a sign if you know that right and wrong is not up to you
Because we're happy
Grab a sign if you know that only one happiness is true

[Bridge:]

(Happy)
Bring you down
The Lord will
Bring you down
To the pits of hell
Bring you down
unless you repent
He'll Bring you down

[Chorus x2]

Because we're happy
Grab a sign if you feel the Lord's given you a heart as Ruth
Because we're happy
Grab a sign if you feel that the word of God is the truth
Because we're happy
Grab a sign if you know that right and wrong is not up to you
Because we're happy
Grab a sign if you know that only one happiness is true

Because we're happy
Grab a sign if you feel the Lord's given you a heart as Ruth
Because we're happy
Grab a sign if you feel that the word of God is the truth

Because we're happy
Grab a sign if you know that only one happiness is true
