| Let Sin Go (parody of Passenger's <i>Let Her Go</i>) |
| Well, you're gonna need the light when your oil is low Only need the sun when it will not show Only know God loves you when you let sin go |
| Only know salvation when you're brought down low Only hate this world when God saves your soul Only know God loves you when you let sin go Will you let sin go? |
| Isaiah and Peter said, "we're grass" Like a vapor this flesh will not last And God gave talents we all must cash |
| Your sinning when you close your eyes For sure one day you'll understand why Everything of clay surely dies |
| And you're gonna need some light when your oil is low Only miss that sun when it will not show Only know God loves you when you let sin go |
| Only know salvation when you're brought REAL low Only hate the world when God saves your soul Only know God loves you when you let sin go |
| God sears your heart and leaves you in the dark Or changes the stone with a soft heart 'Cause God loves His sheep, the goats won't last |
| Well God blessed Jacob to keep Not perverse Esau, that reprobate creep Cuz he loved his sin much Sold his soul so cheap |
| Foolish virgins need the light when their oil is low Worldlings miss the sun – but it will not show Only know God loves you – when you let sin go |
| Only seek salvation in the midst of woe Only hate this world if God saves your soul Only know God loves you if you let sin go |
| Will you let sin go (oh, oh, ooh, oh woe) Has God saved your soul (oh, oh, ooh, such woe) Will you let sin go? |
| (Bridge) |
| 'Cause you'll only need the light when your oil is low Only miss the sun, soon it will not show Only know God loves you when you let sin go |
| Only know salvation when God's laid you low Only hate this world when He's saves your soul Only know God loves you when you let sin go |
| 'Cause you'll only beg for light when your oil has flown Only miss that sun – it refused to show Only know God loves you when you let sin go |
| Only know your saved after prides brought low Only hate this world when God's sealed your soul Only know God loves when you let sin go |
| Will God save your soul? |
