## Signs of the Times: Shining Bible Light on Current Events

The Lord has wrought many blessed judgments in the world this week which can be seen plainly by any who have been given eyes to see, ears to hear, and a heart to understand by the gracious hand of God. **“Son of man, thou dwellest in the midst of a rebellious house, which have eyes to see, and see not; they have ears to hear, and hear not: for they are a rebellious house.” (Ezekiel 12:2)** This entire world is a rebellious house! Therefore, the Lord, the God of Israel, is punishing the people of it! Let’s view some of this week’s judgments from the proper perspective:

As we approach the season of Idolatry called Christmas, the Salvation Army bell ringers (the faux Christian organization stationed outside of every grocery store in America) will be equipped with an additional prop this year: “A card explaining the Christian church and charity’s approach to LGBTQ people.” Essentially the Salvation Army is desperately doing whatever it can to no longer be seen as anti-LGBTQ, including this new marketing campaign to not risk losing money. Here is what God’s stance on LGBTQ is: **Thou shalt not lie with mankind, as with womankind: it is abomination. (Leviticus 18:22)** And remember, Christmas is idolatry. Humans aren’t supposed to worship anything other than God. **Ye shall make you no idols nor graven image, neither rear you up a standing image, neither shall ye set up any image of stone in your land, to bow down unto it: for I am the LORD your God. (Leviticus 26:1)**

A few interesting things happened this past week, with respect to the political landscape across the world. In the U.S., two articles of Impeachment against President Donald Trump, were introduced by the Democratic Party in the House of Representatives. On December 13<sup>th</sup>, those articles have been approved by the House Judiciary Committee and are moving to a full House vote next week. That’s what’s going on in America right now. In Israel this past week, political leaders were unable to break an ongoing deadlock in parliament to vote on a politician for majority support. This means a couple of things, that Israel will hold a third national election in less than a year, and Benjamin Netanyahu remains the country’s Prime Minister while currently facing criminal indictment on charges of bribery, fraud, and breach in trust in three separate criminal investigations. The primary leader in both the U.S. and Israel are facing criminal investigation. We’ll see what the Lord has in store for how these matters play out. **This matter is by the decree of the watchers, and the demand by the word of the holy ones: to the intent that the living may know that the most High ruleth in the kingdom of men, and giveth it to whomsoever he will, and setteth up over it the basest of men. (Daniel 4:17)**

Woe to you who have hardened your hearts against the Lord and His word. The destruction of this world is imminent; you must believe on Christ, repent of your sins, and seek the Lord with humility.
