This is not a close question. Modern Israel is doomed. Apostate Jewry will shortly face the worst affliction of the history of Jews. All as part of the foreordained Revelation (Coming Out Party, As It Were) of the Lord Jesus Christ in power and glory. All the world has eyes on Israel, and their God-decreed contentiousness is on full display. Full of murder and hate for their enemies, and full of proud deeply corrupted sin, all walking according to their rebellious forefathers who disobeyed God vocationally. Time and again God was longsuffering, until He spewed them from the

land (as He promised) for disobedience. Now they walk blind-in-part with a vail over their dark hearts as they read Moses and the prophets, for their final crescendo act of insurrection, to wit, murdering the Lord Jesus Christ. The Scriptures tell it too plainly to ignore: Jews will be called by the hiss of God back to Israel, and more specifically Jerusalem, for destruction. In that process—as all the nations of the world march on Jerusalem—God will supernaturally call out his precious elect 144,000 Jews, teach them, prepare them, and cause them to mourn for the great sin of the people and land. The earth will be put right in all respects, and Christ will establish His Kingdom on this earth, taking that kingdom rightfully his from the Prince of Darkness (Satan), who will be permanently put down. These restored Jews will rule and reign with Christ in His temple. What mercy. What hope. What glory to God! America and the world's nations are shaking, as God prepares this earth for these glorious events. No amount of conferencing, gathering, strategizing, networking, multiplication of words, abominable temple-building, warmongering, or anything else is going to change this outcome.
