

(Pretenders) Parody of Foo Fighters 'Pretender'

You prefer the dark
So you can all pretend
That your evil deeds
Aren't evil in the end

There is no penitence
Wipe off your haughty mouth and sin... again
Pride parades on main street
The mire of sin is deep ground's unsteady
Are you ready?
Your disobedience
You can't feign ignorance
There's no defense

Think of eternity, boy
Wrath of the Lamb upon you
never-ending, soul descending
End of story

[Chorus (x2):]

Why did God punish Sodom and Gomorrah
All of those souls in everlasting horror never a day
off of their sentence
What if God gave you space for repentance?

If you gain all the gold
But then you lose your soul to hell... to hell
The bible's still in print
His word is permanent
He's your Creator, life's a vapor

Give God glory

[Chorus x2]

Why did God punish Sodom and Gomorrah
All of those souls in everlasting horror never a day
off of their sentence
What if God gave you space for repentance?

Hear the voice upon your bed
You refuse to hear
He's the God that you have to face
Rejoice or despair
He's what's left, He's what's right
Esau's enemy
He's the hand that will take you down
Bring you to your knees

So who are you?
Yeah, who are you?
Yeah, who are you?
Yeah, who are you?

You prefer the dark
So you can all pretend
Why did God punish Sodom and Gomorrah
All of those souls in everlasting horror never a day
off of their sentence
What if God gave you space for repentance?
