California is arguably the most screwed up state of the USA, and one look at their youth goes a long way in explaining why. They are the product of an educational system that has villainously removed God from the classrooms and made sin a priority, with no expenses spared. The devil conned the Californian people into letting this happen, but he's not conning us – socialism fixes nothing, climate doctrine is a fraud, abortion is always bloody murder, fornication is filthy, transvestites are an abomination and God still hates fags. By the grace of God, Westboro Baptist Church will defend these and other Bible principles, and preach the great remedy, Jesus Christ – what a Saviour!

That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. (Romans 10:9)

Young people, puffed up with 'self' and vainglory – you need to consider how bad you *really* are, before you can begin to understand what an affront to God your sin is, and just how much is forgiven and cleansed by the work and blood of Jesus Christ.

Wherefore I say unto thee, Her sins, which are many, are forgiven; for she loved much: but to whom little is forgiven, the same loveth little. (Luke 7:47)
