WBC TO PICKET ON YOUR FEET AT KANSAS CITY'S STARLIGHT THEATER SUNDAY, SEPTEMBER 12TH FROM 7:00 – 7:45 PM

Gloria Estefan is considered the most successful ever crossover performer in Latin music, this talented singer is counted among the 100 best-selling music artists with estimated worldwide sales of over 100 million records. She has been married for 40 years to the leader of the band that she has performed with for years, Emilio Estefan. Emilio has been credited with assisting many of the top Cuban American singers and performers, to reach fame and fortune. Together they are worth millions and own part of a national football team, as well as businesses galore. They have received numerous awards and recognition from the powers of this world. Although both individuals came from relative poverty and hard lives, they credit their

success to themselves, to their hard work, to their talents, never giving a thought to recognizing the Living God as the source of all the power they have in this life. Between them, this couple wields considerable social, political, and economic power and have a platform upon which they could easily, without impacting their status, give some credit to the Living God. But, no, their god is their never full enough bank accounts and someone to be given a little credit to, when allowing Gloria to walk after breaking her back in 1990 in a bad wreck. She speaks about this experience as though she is the one who picked herself up from the wreckage and walked again and gave birth again.

The musical "On Your Feet" is a universal sensation that shows what can happen when two people believe in their talent, music, one another, and reflects their moving rags-to-riches story. I am reminded of the rich man and Lazarus from Luke 16:24-5, "And he cried and said, Father Abraham, have mercy on me, and send Lazarus, that he may dip the tip of his finger in water, and cool my tongue; for I am tormented in this flame. But Abraham said, Son, remember that thou in thy lifetime receivedst thy good things, and likewise Lazarus evil things: but now he is comforted, and thou art tormented". With little effort I found that Emilio has a daughter that came out as being gay. I refer you to Romans 1:21 & 24 "Because that, when they

knew God, they glorified him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened...Wherefore God also gave them up to uncleanness through the lusts of their own hearts, to dishonour their own bodies between themselves." This is just the tip of the iceberg of reasons why the members of the Church of the Lord Jesus Christ need to be present and declaring God's truth at the time of this musical.
