WBC TO PREACH THE GOSPEL AT THE GOLD OVER AMERICA TOUR (T-MOBILE CENTER, 1407 GRAND BLVD., KCMO) TUESDAY, OCTOBER 12th FROM 6:30 - 7:15 PM

“Then Peter opened his mouth, and said, Of a truth I perceive that God is no respecter of persons: But in every nation he that feareth him, and worketh righteousness, is accepted with him.” (Acts 10:34-35)

WBC will remind America that these athletes that the people worship will lead them to ruin. The Gold Over America tour encourages others to be respecters of persons and to worship these frivolous athletes as the nation burns down around them. Simone Biles cannot save you from Hell. She has no Godly wisdom or guidance to offer anyone. These other female athletes are equally clueless about the God of the Bible, otherwise they would be using their platform to warn their fellow countrymen to repent or perish.

The list of soul-damning sins that modern America allows and encourages stretches on and on. The most current craze is for the schools to teach America’s young children that being a male or female is up to them to decide and can be changed from day to day. This propaganda clearly violates God’s divinely created order. Matthew 19:4 *“And he answered and said unto them, Have ye not read, that he which made them at the beginning made them male and female,”*

How can these celebrated athletes stand in front of thronging crowds and not cry out, pleading with the people to turn from such wicked sins? How can they not want to warn their fellow man not to continue on that path to Hell? WBC will remind these athletes and the people of America that a sovereign God yet reigns. Fear and obey Him before it is too late.

REPENT OR PERISH!
