## Signs of the Times: Shining Bible Light on Current Events

The Lord has wrought many blessed judgments in the world this week which can be seen plainly by any who have been given eyes to see, ears to hear, and a heart to understand by the gracious hand of God. Let's view some of this week's judgments from the proper perspective:

This week, fallout continued from last week's leak of a Supreme Court opinion indicating the court could be poised to soon overturn the Roe v. Wade decision from 1973 that guaranteed the right to abortion. Protests occurred throughout Washington D.C. and the country on Saturday, May 14. On Tuesday, during testimony before the Senate Banking Committee, U.S. Treasury Secretary Janet Yellen said that eliminating abortion "would have very damaging effects on the economy". The media ecosystem jumped on Yellen's comments, echoing her sentiments and producing "research" to support her. If it wasn't clear that abortion is an exercise in child sacrifice, it should be now. **"And thou shalt not let any of thy seed pass through the fire to Molech, neither shalt thou profane the name of thy God: I am the LORD" (Leviticus 18:21).**

The U.S. Senate tried and failed to pass the Women's Health Protection Act on Wednesday. This was an attempt to codify abortion access before the Supreme Court officially recognizes that right is not in the Constitution. The attempt failed in the slimmest way possible, 49-51. The WHPA would allow abortion for the first 5-6 months of pregnancy as well as the final 3-4 months if any healthcare provider deems the baby is a risk to the mother's physical or mental health. Also, the bill would strike any state law that is even a minor roadblock to abortion. The following state laws would be invalidated:

- Any law that makes sex-selective abortions illegal
- Any law that protects healthcare workers from having to participate in abortions
- Any law that requires a 24-hour waiting period on abortions
- Any law that requires parental consent or even parental notification
- Any law that mandates abortionists provide information about alternatives, such as adoption

On Saturday, May 14, an 18-year-old self-described white supremacist man shot up a supermarket in Buffalo, NY. He wore a camera for livestreaming the event as well as tactical gear, which saved him from initial attempts to take him down. Ten were murdered and three were injured. Eleven of the victims were black and two were white. One of New York's main representatives is Senator Chuck Schumer. As the Senate Majority Leader, he has the sole authority to present bills to the Senate for votes; he insisted on presenting the barbaric WHPA for a vote despite its guaranteed failure, because he is so committed to that iniquity. **"Great men are not always wise: neither do the aged understand judgment" (Proverbs 32:9). "Do they not err that devise evil? but mercy and truth shall be to them that devise good" (Proverbs 14:22).** Nothing you're doing is hidden from God Almighty, and he's turning your folly back upon you. **"Shall the throne of iniquity have fellowship with thee, which frameth mischief by a law? They gather themselves together against the soul of the righteous, and condemn the innocent blood. But the LORD is my defence; and my God is the rock of my refuge. And he shall bring upon them their own iniquity, and shall cut them off in their own wickedness; yea, the LORD our God shall cut them off" (Psalm 94:20-23).**
