LORD WILLING, WBC TO PREACH THE GOSPEL OF JESUS CHRIST OUTSIDE THE LANDON LECTURE SERIES AT KANSAS STATE UNIVERSITY ON THURSDAY, NOVEMBER 3 AT 9:50AM:

The executive director of the United Nations World Food Program, David Beasley, will be lecturing on “*Kansas’ Legacy in Global Food Security.*” He will likely tout Kansans’ contribution to the world’s food supply. These are the very same thankless, gluttonous, covetous Kansans who voted for murdering their own children. If God

should send a famine to dry up this food supply, the tender and delicate Kansas mothers would doubtless eat their own babies, like what is described in Deuteronomy chapter 28:

“The tender and delicate woman among you, which would not adventure to set the sole of her foot upon the ground for delicateness and tenderness, her eye shall be evil toward the husband of her bosom, and toward her son, and toward her daughter, And toward her young one that cometh out from between her feet, and toward her children which she shall bear: for she shall eat them for want of all things secretly in the siege and straitness, wherewith thine enemy shall distress thee in thy gates.” Deut. 28:56-57

Worse than that, the Lord shall send a spiritual famine of preaching the Word of God! **THAT** is the lecture-worthy topic, Mr. Beasley, instead of your delusion of world peace.

“Behold, the days come, saith the Lord GOD, that I will send a famine in the land, not a famine of bread, nor a thirst for water, but of hearing the words of the LORD: And they shall wander from sea to sea, and from the north even to the east, they shall run to and fro to seek the word of the LORD, and shall not find it.” (Amos 8:11-12)
