**LORD WILLING, WESTBORO BAPTIST CHURCH MUST PREACH TO THE  
NATION AT THE WHITE HOUSE, IN WASHINGTON, DC,  
TUESDAY, NOVEMBER 11, 2025 FROM 12:00P TO 1:00P**

**CIVIL WAR! GOD IS TAKING AWAY YOUR PEACE!**

**AMERICA**

**IS**

**DOOMED**

*“And there went out another horse that was red: and power was given to him that sat thereon to take peace from the earth” (Revelation 6:4). These words bind the whole earth.*

Not for media or entertainment, but for the Saints of God to see what the Lord will do as a harbinger of His return. It is a condition, unique from all former generations of mankind, since the flood of Noah: *“The end of all flesh is come before*

*me; for the earth is filled with violence through them”*. (Genesis 6:13). While we preach to the whole earth, we live in this country. Americans are our countrymen. Americans deserve ... and should expect ... God’s servants to speak first and loudest to them! On November 11<sup>th</sup>, you stupidly – brutishly – ignorantly – offensively, praise your citizens for killing, when God plainly declared: *“Thou shalt not kill”!* (Exodus 20:13). Now America, like so many other nations in the earth, is utterly filled with every form of violence that you can churn up. Every thought you have now is about how you can violently kill: babies in their mothers’ wombs, children in your daycares and churches, teens in your schools and on your streets, adults on every corner and with every tool (drugs, disease, murders, sports). All violence, all day. And the country is ripping in half from all the chaos and despair. Civil War is not speculation anymore. Now it’s just the details of when and where will it happen, and what specific event will trip the switch! Violence! And it all begins where the current administration cooks up its specific and preferred brand of hateful rhetoric and widespread oppression of the population. There are no clean hands in this nation. There are no pure motives in the hearts of this nation’s leaders, including at the White house where the Commander in Chief teaches open and rampant sin: Idolatry, adultery, fornication, and sodomy. Christ declared this violence would presage His return (Matthew 24:7), so we must declare that the Lord is coming in the very midst of all of this violence. There might be one soul left who will fear the Lord and come out. Repent!
