Signs of the Times: Shining Bible Light on Current Events

The Lord has wrought many blessed judgments in the world this week which can be seen plainly by any who have been given eyes to see, ears to hear, and a heart to understand by the gracious hand of God. Let's view some of this week's judgments from the proper perspective:

For many years God has sent His servants to cry against the altars of America in this season of rampant idolatry, and for many years America has maintained a stiff necked persistence in this sinful course. Why should this year be any different? The doors to your markets chime with tinkling bells and jubilant 'Happy thanksgiving and merry christmas!' as you run madly upon your idols on every hill and under every green tree. Hear the word of the LORD!

Come to Bethel, and transgress; at Gilgal multiply transgression; and bring your sacrifices every morning, and your tithes after three years: And offer a sacrifice of thanksgiving with leaven, and proclaim and publish the free offerings: for this liketh you, O ye children of Israel, saith the Lord GOD. (Amos 4:4-5)

For this is the love of God, that we keep his commandments: and his commandments are not grievous. (1 John 5:3)

The so called 'thanksgiving' holiday is a disgusting idol to human will worship. You should cease and desist immediately, and believe on the Lord Jesus Christ (**Ecclesiastes 12:13-14, Acts 16:31**). God did not ordain this feastday, and, to the exclusion of what God actually commands you to do, you have fabricated this lavish excuse to gorge yourselves with gratuitous volumes of food and decadence while watching football. Every single heartbeat of a person's life should be characterized by thankfulness.

This is the day which the LORD hath made; we will rejoice and be glad in it. (Psalm 118:24)

Meanwhile in Japan, the legal battle for same-sex marriage rages to their Supreme Court. The substance of the cases being brought forward are centered on whether to recognize such abominations as 'marriages' in the civil sense. These arguments are indicative that the sin of Sodom has already taken root and that these legal cases are merely deck chairs on the Titanic. The battle has already been lost and Japan is on the fast track to Hell. Consider the scripture:

And there were also sodomites in the land: and they did according to all the abominations of the nations which the LORD cast out before the children of Israel. (1 Kings 14:24)

Behold, this was the iniquity of thy sister Sodom, pride, fulness of bread, and abundance of idleness was in her and in her daughters, neither did she strengthen the hand of the poor and needy. And they were haughty, and committed abomination before me: therefore I took them away as I saw good. (Ezekiel 16:49-50)

The wicked shall be turned into hell, and all the nations that forget God. Psalm 9:17

Woe to you who have hardened your hearts against the Lord and His word. The destruction of this world is imminent; you must believe on Christ, repent of your sins, and seek the Lord with humility. **"For Gaza shall be forsaken, and Ashkelon a desolation: they shall drive out Ashdod at the noon day, and Ekron shall be rooted up. Woe unto the inhabitants of the sea coast, the nation of the Cherethites! the word of the LORD is against you; O Canaan, the land of the Philistines, I will even destroy thee, that there shall be no inhabitant."** (Zephaniah 2:4-5)

Repent or Perish!
